

To REGISTER as a student in a U.S.A. Learns Class

You must have the class password and the correct spelling of your teacher's last name **before** you register. You will only need these when you register or when you add a new class.

1. Go to:
www.usalearns.org/class

The site background is **green!**

If the first page you see is **blue**
you are at the wrong site.

2. Click

3. Type into the form:

- your **First Name**.
- your **Last Name**.
- your **Email address**.
- a **Password**
(one you can remember).
- the **Teacher's Last Name**.
- the **Class Password**
(from your teacher).

4. Click

5. Start your lessons. (the site will turn blue when you start your lessons.)

Good luck in your studies!
